Accommodation

The conference hotel

You can book a hotel room at the conference hotel at a special rate. Please check the following link:

Other accommodation

There are several hotels in the area above €150 (excluding breakfast in general) or flats to rent for a night or two. Less pricy accommodation can be found in the area between 'Botanique' and 'Madou'. The hotel 'Motel One', on Rue Royale, offers a very good value at low cost (early booking advisory).
